to Falcon lovers
... everywhere!

THE FALCON CLUB OF AMERICA, INC. is a non-profit organization dedicated to preserving the FALCON automobile built by the Ford Motor Company from 1960 to 1970. Roy E. Sword founded the world-wide club in 1979. It is incorporated under the laws of the State of Arkansas. Yearly dues to The Falcon Club of America are \$15.00 (20.00 outside the United States), and are payable to: The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72076.

THE FALCON NEWS is published monthly with information from its members. *All ads must be sent to the Editor by the 10th of the month, with a limit of 2 free ads per member per issue (limit of 50 words per ad). Each ad must appear in a different section of the classified ads. The FCA will not be held responsible for errors. Legitimate errors will be corrected in the next issue when requested.*

FALCON CLUB OF AMERICA OFFICERS

President: Roy E. Sword, 629 N. Hospital Drive, Jacksonville, AR 72076. Phone (501) 982-1029.

Comet Club, 5878 Hobe Lane, White Bear Lake, MN 55110-6466.

The Super 60's Ford Club, 10220 Loretta Ave., Cleveland, OH 44110.

NOTE TO ALL MEMBERS: The club will send out notices to each member the month before membership expires. Be sure to send your renewal in early to retain your original membership number. If you do not renew your membership within 90 days after it has expired, your membership number will be placed in the inactive file and will no longer be used by the club.

PRESIDENT'S MESSAGE

Just returned from the National meet in Wisconsin; it was another very successful meet. With 137 registered and well over a hundred Falcons there you could pick out the dream Falcon of your choice.

We all owe the North Central Falconeers Chapter a big thanks for such a great meet, and I want to thank all who came and made it a success.

I would like to thank all of you who have given me your support over the last year and thank you for having enough faith in me to elect me as your president again. As always, I will do my best for the F.C.A. If in any way anyone can see where I can improve, please let me know. (My phone is listed in front of *The Falcon News*).

I also would like to give all the officers, Board of Directors, volunteer officers and Regional Directors a special thanks. They have made my job much easier.

We have "another new chapter". While at the National Meet we had application for a new chapter in North Carolina. The name of the new chapter is "The Carolinas Falcon Chapter". If you live in the Charlotte area contact them. They are listed in front of your newsletter.

As most of you already know the 1987 meet will be held in Boulder, Colorado. The Board of Directors also picked the sight for the 1988 meet — it will be held in Atlanta, Georgia.

We have had a lot of questions about a new roster. The club hopes to have one out by the end of the year.

Remember the Regional Meets coming up this Fall. Attend them if you can. You will see you can have a lot of fun.

Roy E. Sword, Pres. FCA

EDITOR'S MESSAGE

We had a great time in Wisconsin. If you were there you know just what we mean, and if you couldn't make it, set aside next August for Colorado. You'll be glad you did.

The Falcons were beautiful. Envy was on a lot of faces for some of those beauties. Over a hundred Falcons was a sight to behold.

Our family really enjoyed the beautiful state of Wisconsin and the first rate facilities at the Guest House Inn. The North Central Falconeers did an

outstanding job hosting the meet. They really worked hard before the meet and all weekend long and it paid off with a lot of smiling faces.

We're excited about going to Boulder, Colorado next August 87 and hope to see you there.

Our special thanks to the many who said they really enjoy *The Falcon News* and look forward to receiving it each month. We had a good discussion in the Business Meeting on Saturday about the newsletter and we plan to strive to make it even better this year. You help make it possible so let's hear from you.

Bill and Kathy Woodell, Editors

A Word of Thanks

Thanks to all you good people who contributed to this month's issue. Share in the fun. Drop us your hint, problem or article today. This is "your" newsletter. Let's all participate. *Thanks.*

UPDATE: SALE OF AUSTRALIAN FALCON IN U.S.

Further to the article I submitted concerning the possible sale of Australian Falcons in the United States of America, which was published in the October, 1985 issue of "Ford News", I understand that the proposal has been axed.

It is believed that market research has indicated that the probable buyers of the Australian Falcon in North America would already be keen Ford owners and thus sales of the Falcon would be at the expense of Ford products manufactured in North America.

Ford Australia is now said to have received approval from Dearborn to build a specialty sports car, possibly a convertible, for the world market. Speculation is that the likely basis for this sports car is the low cylinder Ford Laser/Meteor, derivatives of the Mazda 323.

Production of the sports car for export sales would enable Ford Australia to achieve economical production volumes to maximize production facilities and to earn valuable export credits which would allow it to import components, duty free, for other products.

Our members may be interested to know of these recent developments.

Bob Cawley, Australia

CALENDAR OF EVENTS

September 7, 1986 - Colorado

Mile-Hi Chapter will have a Sock Hop / Barbeque at Ray and Candi Roberts' place from 4 p.m. to 7 p.m., 12272 W. Atlantic Dr., Lakewood. More info call Ray.

September 7, 1986 - Ohio

The North Coast Chapter plans to have our first full meeting and hopes all 23 members attend. The meeting will be held at the Bedford Reservation of the Cleveland metro park system. This location will make it easy for members and general public alike to see lots of Falcons. Interest in this new chapter of the Falcon Club has been strong and membership is still growing. Falcons are alive and well in Ohio!!

September 17, 18, 1986 - Indiana

The Hoosier Chapter will be at the Hoosier Auto Show Swap Meet, Sept. 17 & 18 at the Indianapolis Speedway. For more info call Cliff Smith (317) 736-5597.

September 21, 1986 - New Jersey—Delaware

The Mason Dixon Chapter with some of its members will be in Cherry Hill, NJ on Sunday, Sept. 21, 1986 (If rain, Sept. 28 or the first following Sunday with clear weather) at the home of Ken Everett, 343 Oak Ave. For Directions call Ken at (609) 667-0847. We are hoping to attract more FCA members from the NJ area into our chapter. If the gentleman that had the 65 Ranchero at Dover will come, I am holding his gift from Dover and will bring it to Cherry Hill.

September 26, 27, 28, 1986 - Colorado

Mile-Hi Chapter will attend the 8th Annual Auto Classic Show. Contact Rich or Bobbie Adkins.

September 28, 1986 - California

First Annual and Membership kick-off drive picnic of proposed new Northern California Chapter of Falcon Club of America. Location to be announced. Call Brian Lukas (415) 525-9226.

October 14, 1986 - Indiana

The Hoosier Chapter will meet at Denny's Restaurant, 4209 South East St., Indianapolis at 6:30 p.m. For more info. call Cliff Smith (317) 736-5597.

October 31 - November 1, 1986 - Arkansas - Central Regional Meet

3rd Annual Central Regional Meet, Hot Springs, AR, sponsored by Founder's Chapter.

August 6, 7, 8 1987 - Colorado

8th Annual National FCA Meet at Boulder, CO.

MEET REPORTS

The North Coast Chapter

On Saturday, July 19, several of our members turned up at the 6th annual Bud Brady Ford Car Show. The event drew 79 Ford cars with 12 Falcons! Everyone was amazed by the clubs' good turnout. Falcons attending the meet were: A 60 Tudor from Maumee (Toledo), a 61 modified Tudor sedan from Delaware, a 62 Sports Futura, two 63 Futura convertibles, two 63 Sprint convertibles, one 63 Tudor sedan, one 64 Sprint hardtop, one 65 Futura convertible, one 65 Tudor sedan, and one 69 Sports Coupe.

The Mason Dixon Chapter

The Mason Dixon Chapter met at the campgrounds of George Burnham in Pikesville, MD on July 21. We had 11 Falcons there. The members in attendance had an election and Bob Gerke of Bridgeville, DE was re-elected President. Eston Scott of Baltimore, MD was re-elected Vice-President, Mrs. Selma Irwin of Milford, DE was elected Treasurer, and Glenn Stewart of Bear, DE, Secretary and Editor. Those members present paid their dues for the coming year, and two new members were signed up. For those members that missed this meet, you can send your checks to Selma Irwin so she can update her mailing list.

The Hoosier Chapter

On August 12 the Hoosier Chapter met at Denny's Restaurant in Indianapolis. Eight members were present & two new members joined. We welcome Chuck Pace and Don McClintock. Leroy Lassiter was guest speaker and spoke on show car judging and preparation. The National Meet in Appleton was discussed and also setting up a hospitality table at the Hoosier Auto Show Swap Meet, September 17 & 18 at the Speedway. Two Falcons will be represented at the Ford Employees' Picnic, September 6. The next meeting will be in October.

The Mile-Hi Chapter

On July 19, 1986 the Mile-Hi Chapter traveled from Heritage Square to Genesee Park Shoppette to Lafayette Sonic. It was quite a trip indeed. At 1 p.m. a caravan of Falcons left the lower parking lot of Heritage Square for Genesee Park where they put on a show for the local merchants. After two hours of displaying cars, picnicing and talking to a lot of interested people, the caravan was reformed. Rich and Bobbie Adkins led the way west over Lookout Mountain through Golden and a lot of territory many of us hadn't seen before. The route brought the caravan out to a rendezvous with some other Falcons, and we all proceeded to Lafayette for "A Mid-Summer's Night Cruise". A lot of cars out that you ordinarily don't see. And a lot of other buffs to talk with. Everyone has commented on how much fun the day was and the word is: "Let's do more of this".

The Mile-Hi Chapter held the August Business Meeting on August 2. It was another busy day for the chapter with the All-Ford Swap Meet starting that day at

MEET REPORTS (cont.)

Cinderella City Shopping Center. There were 19 members at the business meeting. Chapter functions and of course the 1987 FCA National Meet were the main topics of discussion. There will be Board of Directors elections in October with the new members announced at the November Business Meeting.

TECHNICAL TIPS

Dear Falcon News,

The News is a big help to anyone who appreciates and works on Falcons and Comets. The tip from Alan Hale on the alternator resistor and wiring in February was worth five years' subscription, as I was in the process of installing a 200 with alternator and didn't know of that problem.

I'd like to mention some of my experiences in appreciation of the valuable information I've received.

1. The question on radial tires. I've got P205/75R 14's on my 64 Ranchero and the difference in ride and road noise is amazing. I cross RR tracks at 30 mph where I used to slow to a crawl, with less noise, and shock.
2. A 1970 Maverick dual master cylinder will bolt up to Falcons, but requires modification to the push rod. No big deal. The brace doesn't interfere.
3. I'm installing the 60-62 turn signal mechanism in my 64 to avoid replacing the Mickey Mouse plastic switch every one or two years.
4. A friend is installing a 351W in a 63, but he's out of town so I can't give details. As far as I know there have not been any big problems.
5. I made a gas cap lock that doesn't show, for my Ranchero, but safeguards the expensive stock cap and the gasoline. It consists of a Bowden cable (J.C. Whitney's heavy duty) that moves a pin to block movement of the cap. The handle is behind the seat and nothing shows to mar the stock look. I did the same to the hood latch as nothing is safe in Tucson.

TECHNICAL HELP WANTED

My sons both drive Rancheros and one has a question. Did 64s have middle or rear shifter mechanisms on the transmission, in the V8s with a 4-spd? The location of the box on the hump is needed. Was the 4-spd. the BW T-10 or Ford R U G?

Thanks again for the help,
Jon Guenther
2201 E. Lind Road
Tucson, AZ 85719

TECHNICAL HELP WANTED

For my V8 Conversion I need to know if the 63½ Sprint v8 Pitman arm will fit on the steering box on my 62½ Sports Futura? I already have the 63 Sprint rear end and front suspension bolted on my 62. Will I have to install the Sprint steering box and column too? Would the pitman arm from a 65 Mustang V8 fit my 62 steering box? I NEED HELP WITH THE V8 STEERING!

Larry White, 4315 East Epler Ave., Indianapolis, IN 46237, (317) 784-1313

I am looking for information to replace a 2-spd. auto. trans. with a 3-spd. auto. in my 64 170-6 cyl. Futura Hardtop. I would like to keep the original engine. If anyone has done this, please tell me of the results, the parts necessary, and the problems I may encounter.

J. Philip Green, 6732 Old Solomons Island Rd.,
Friendship, MD 20758, (301) 855-6269

TECHNICAL HELP QUESTION ANSWERED

In the August issue of *The Falcon News*, page 19, member Frank Servas, Jr. wanted to know if radial tires work well on Falcons.

I have two 65 Falcons and one 67 Valiant 6. I have put radials on all three. I've had excellent results. They are much quieter and steadier. They last much longer. I am so pleased with them I wouldn't run bias plies anymore, even if they could be obtained free of cost.

Roy T. Kerchner,
408 Winslow Rd., Belleville, IL 62223

Radial tires work well on all cars, Falcons included. However, once they are installed, it is not wise to change the direction they rotate. Therefore, they *cannot* be rotated from wheel to wheel like other tires but must be rotated in such a way to maintain the same direction of rotation. This means the tire must be removed from the rim and then transferred to the other side. A trick I use so as not to become confused is to mark all tires with a piece of chalk, inside and outside faces, with an arrow to indicate the direction the tire moves as the car goes forward. Now move the tires any way you like just so when you are finished all arrows on all wheels are still pointing in the same direction.

William D. Clark, P.O. Box 634, El Segundo, CA 90245

Editor's Note: If you would like a diagram of how the tires rotate, send your request and a SASE to Mr. Clark.
